İBRAHİM ETHEM BİNGÜL
Honorary President

As IM INDUSTRY AND TRADE CO. LTD., with our experience through 25 years and with our **ETHEX** and **JOYPACK** brands, we offer a comprehensive range of products developed to meet the everyday needs of retail, professional and institutional markets.

Our portfolio covers a wide variety of categories, including packaging products, food products and professional-use supplies. From stretch film, aluminium foil, food containers and bags to paper and plastic cups, cutlery, straws, detergents, sponges, cleaning cloths, toilet paper, paper towels, napkins, gloves, wet wipes and garbage bags, we aim to provide practical and reliable solutions from a single source.

Our business is built around a strong wholesale and distribution network. Through our business partners, our products reach retail stores and final consumers, as well as factories, schools, hospitals, catering operations and other professional and mass-consumption customers. This diversified structure enables us to serve different market requirements with a broad and flexible product portfolio.

Alongside our presence in the domestic market, we continue to develop our international business by exporting our products to customers in numerous countries around the world. We value long-term cooperation and focus on providing our partners with consistent quality, competitive solutions, reliable service and a product range that responds to changing market needs.

With **ETHEX** and **JOYPACK**, our goal is simple: to make everyday business easier by bringing together the products our customers need with dependable service and a strong commitment to lasting partnerships.
